

Dear 300 Club Members,

It gives me great pleasure to announce that your club will be expanding its tennis program under the leadership of the tennis committee and our new Director of Tennis, Ken Ouellette. Ken will be working with Bob Beland and our other tennis pros to build a first class program of instruction, competition, and fun tennis for players of all levels and ages. Ken will begin full time at our club on April 1 and will be working with the tennis committee, the board of directors, and the club manager in the interim to make plans for the new program.

Ken brings unique qualities to the tennis profession as a teacher and administrator. As a P-1 USPTA teaching professional and a graduate of the USTA High Performance Coaching Program, he will be aggressive in the development of the junior and adult programs at the 300 Club. Many of his former students have enjoyed college scholarships. He has been a coach and is the parent of a High Performance Player. Ken's son, Greg Ouellette, is a five time All-American having played #1 singles and doubles for the University of Florida. Greg is now on the ATP Professional tour. Ken has also taught ladies teams at all levels. As a player, he was co-ranked #1 in Singles and Doubles Nationally USPTA in 2009.

While Ken and his wife sell their home in Ormond Beach, he will be seeking temporary housing in Gainesville. If any club members have some ideas to help with Ken's temporary housing, please contact me or the club office.

Thanks to Christian Newman, Susana Picado, Marla Ambrose, and John Bennett for their many hours of work on the search committee to find a Director of Tennis.

Sincerely,

Tim Vinson  
President
